

# Our Town

July/August 2018

TOWN of WAKE FOREST

This year's Fireworks Spectacular will be held at Heritage High School on Tuesday, July 3. Admission is free.

## INDEPENDENCE DAY

*Wake Forest serves up two days of fun*

Fireworks, games, live entertainment and more await you at Wake Forest's 2018 Independence Day Celebration. Presented by Power Secure, this community extravaganza is Wake Forest's most eagerly anticipated summertime event serving up two days' worth of fun and excitement for the entire family—and this year it's all free!

### Fireworks Spectacular

The festivities get underway with the Fireworks Spectacular on Tuesday, July 3, inside Husky Stadium on the campus of Heritage High School,

1150 Forestville Road. Gates open at 5:30 p.m.

Crush, one of our area's most popular party bands, will headline this year's celebration, followed by an unforgettable 20-minute fireworks display. The fireworks show typically begins at dusk, but there is no official start time.

Concessions, including hamburgers, hot dogs, popcorn, and snow cones will be available for purchase. A variety of food and dessert trucks will also be on site, including Lumpy's, Kona Ice, Sunshine Girls Lemonade, Jays Italian

see "Fourth of July" on next page

**Wake Forest Town Hall closed on Independence Day:** Town hall and all administrative offices will be closed Wednesday, July 4, for Independence Day. For a complete list of Town holidays and any changes to Town services, visit [wakeforestnc.gov](http://wakeforestnc.gov) and search "holiday schedule."

## News Highlights

### Wake Forest attains AAA bond rating »

Standard & Poor's (S&P) and Fitch Ratings Services recently assigned AAA ratings to Wake Forest's series 2018A and 2018B general obligation public improvement bonds (\$16.8 million).

A credit rating is an opinion on the general creditworthiness of an obligor, or the creditworthiness of an obligor in respect to a particular debt security or other financial obligation.

The Town's excellent bond rating communicates that Wake Forest is a fiscally healthy community. It signals that the Town's financial future is strong and ensures Wake Forest's interest costs will remain as low as possible.

### 2018-19 Annual Budget Highlights »

The 2018-19 budget was approved by the Wake Forest Board of Commissioners in June. Highlights of the annual budget include:

- Sixteen new positions were added to the Town's staff (14 of those in public safety)
- Property tax remains at \$0.52 per \$100 of assessed property valuation
- Vehicle fee increased from \$15 to \$25 effective July 1 (additional \$10 for debt service fund).

[wakeforestnc.gov](http://wakeforestnc.gov), search "budget"

### Enjoy concerts at E. Carroll Joyner Park »

Sunday, Aug. 5, and Sunday, Sept. 2 at 5 p.m.

Leave the fireworks to the professionals. The safest way to enjoy fireworks is by viewing display fireworks—those used in public shows.

## Most fireworks illegal in North Carolina

As Americans prepare to celebrate our country's independence, the Wake Forest Police Department is reminding area residents that the possession or discharge of most fireworks that explode, spin, fly, jump in the air, or leave the ground in any way are prohibited by North Carolina law. Illegal explosives include but are not limited to firecrackers, ground spinners, Roman candles, bottle rockets, and mortars.

Residents are also reminded that explosive fireworks, which are sold legally in South Carolina, are illegal in North Carolina.

In North Carolina, fireworks that are available for personal use are those marked as 1.4G. Novelty items, including sparklers, caps for toy pistols, snake and glow worms that emit a snake-like ash, and trick noisemakers, are legal but still can cause injury if not properly handled. In all cases, these items should be kept away from young children and pets.

## How to stay informed

Stay up to date on Town news by using these communication tools:

- **Facebook, Twitter & Instagram:** Find (and like) the Town on social media.
- **Nextdoor:** Has your neighborhood joined Nextdoor? Connect with us there.
- **E-Notifier:** Subscribe to one or more categories to receive traffic alerts, police advisories, *The Week Ahead* and more.

■ **App:** Download the Town's app to access information at your fingertips.

## Fourth of July

*continued from page 1*

Ice, Morfa Empanadas, Havana Dave's, Big C Waffles, and Mr. Mongolian.

Picnic baskets and coolers will be allowed, but alcoholic beverages, smoking, glass and pets are prohibited on the Heritage High School campus. In addition, no bicycles are allowed inside the stadium and no chairs or blankets will be permitted on the stadium track.

Handicap parking (by identification only) and regular parking are available on the school campus.

**Shuttle Service:** A new option this year will be a free shuttle service, compliments of the Kerr Family YMCA. The free shuttle will pick up visitors at a yet-to-be-determined location, then drop them off on the Heritage High School campus. The shuttle is tentatively scheduled to run continuously beginning at 5 p.m. The final shuttle will depart from Heritage High School at approximately 11 p.m. For more details, visit [wakeforestnc.gov](http://wakeforestnc.gov) and search "fireworks."

### Children's Parade

The revelry continues on Wednesday, July 4, with the Children's Parade along North Main Street. Area youngsters are invited to hop on their bicycles and be a part of their very own "walking parade." The lineup begins at 10 a.m. at the intersection of North Main Street and West Juniper Avenue, near the Wake Forest College Birthplace. The procession will get underway

at 10:30 a.m. Participation in the parade is free, but bicyclists are encouraged to wear their helmets.

### Art & Games in the Park

The Independence Day festivities continue at 11 a.m. with Art & Games in the Park. Children of all ages will have the opportunity to create a variety of interesting arts and crafts projects, join in a slew of games and activities, and enjoy giant inflatables. All of these festivities will take place at Holding Park, 133 W. Owen Ave. and R.H. Forrester Field, 123 W. Owen Ave.

Sponsored by the Wake Forest Woman's Club, arts and crafts activities will take place inside the Wake Forest Community House, 133 W. Owen Ave., and will include making various patriotic-themed crafts for all ages, cupcake decorating, tattoos, stickers and a photo booth complete with costumes.

The Children's Parade and Art & Games in the Park are free and open to the public.

**Weather:** In case of inclement weather, updated event information will be posted on the Town of Wake Forest website and the Town's Facebook page. Smartphone users who have downloaded the Town of Wake Forest app will receive a push notification message informing them of any schedule changes.

### Holding Park Pool opening delayed "indefinitely"

Mother Nature is at it again and now she's using another form of extreme weather to delay the opening of the Holding Park Aquatic Center. Over the winter, the culprit was subfreezing temperatures. Recently, the problem has been rain — lots of rain. The low-lying construction site needs to dry out sufficiently to properly complete the final phase

## Fence permits no longer required for residential homes in Wake Forest

As of May 1, 2018, the Town of Wake Forest no longer requires fence permits for residential dwellings.

Residents planning to install a fence on their property (single family home or townhouse) are only required to obtain a fence permit if they have an easement on their property and wish to encroach upon the easement.

Fence permits for anyone requiring an encroachment may apply for the permit online via the Town's Electronic Plan Review portal at [wakeforestnc.gov](http://wakeforestnc.gov) (search "electronic plan review"). The fee for a fence permit is \$100.

Uses that will continue to require a fence permit include neighborhoods wishing to install a fence in common areas, apartment complexes and non-residential uses.

Always check with your homeowners association and refer to any restrictive covenants before installing a fence.

Fences located in the front yard or fronting a public street, park or open space may be constructed of masonry, stone, architectural block, stucco on masonry, wood or other similar material of solid appearance. Chain link fences are permitted in side and rear yards only. Fences that obstruct the line of sight for vehicles are not permitted.

A fence may be installed up to, but not on, your property line. It is always a good idea to leave some room for maintenance of your fence.

🔗 [wakeforestnc.gov](http://wakeforestnc.gov), search "fence permits", Community Development ☎ 919-435-9510

### WAKE FOREST DOWNTOWN

## Friday Night on White continues through September

Presented by White Street Brewing Co., "Friday Night on White" takes place along South White Street on the second

Friday night of each month from April through September. Each concert begins at 6 p.m. and ends at 9 p.m.

Sleeping Beauty will perform on July 13, Big Love on Aug. 10, and Crush on Sept. 14. Bands will play rock and roll covers from classic to modern rock, with a little funk and some original music thrown in.

No outside coolers are permitted during Friday Night on White, but beer and wine are available for purchase.

🔗 [wakeforestnc.gov](http://wakeforestnc.gov), search "friday night on white"

## Family Movie Nights return in July & August

Family Movie Nights at Joyner Park returns July 28 and Aug. 11. The free outdoor movie showings are held at E. Carroll Joyner Park, 701 Harris Road.

Pre-show activities begin at 7:15 p.m. Movie showtime is 8:30 p.m.

**July 28 – Cars 3.** Pre-show activity: "Create a Car". Bring your own cardboard box to create a car with your family that you can sit in while you enjoy watching Cars 3.

**Aug. 11 – Beauty & The Beast.** Pre-show activity: "Belle & Books". Bring a new or gently used book to donate and enjoy meeting Princess Belle.

Anyone planning to attend is urged to arrive early as viewing space may be limited. Be sure to bring a blanket or chairs. Assorted food vendors will be on hand selling snacks and beverages.

In case of inclement weather, the movie screenings may be relocated to Flaherty Park Community Center, 1226 N. White St. Updated information will be available on the Town's Facebook page and by calling the Wake Forest Weather Line at 919-435-9569.

🔗 [wakeforestnc.gov](http://wakeforestnc.gov), search "movie nights"

The new Joyner Park Community Center will blend with the natural habitat.

# WORK IS UNDERWAY

## at Joyner Park and the Senior Center

The Town of Wake Forest broke ground on two major improvement projects this spring. Both projects are financed by voter-approved bonds from the 2014 Bond Referendum.

Designed to blend in with the park and natural habitat, the new 32,000-square-foot center will feature a walking track, gymnasium for basketball, volleyball and pickleball, multi-purpose rooms, dance studio and kitchen.

Projected for completion in 2019, the facility will be constructed in a manner consistent with the park's natural beauty and rustic feel.

☎ [wakeforestnc.gov](http://wakeforestnc.gov), search "joyner park community center", PRCR Director Ruben Wall, ☎ 919-435-9561, ✉ [rwall@wakeforestnc.gov](mailto:rwall@wakeforestnc.gov)

### Joyner Park Community Center

Barnhill Construction Co., a contractor working on behalf of the Town of Wake Forest, has started the initial phase of construction on the Joyner Park Community Center, located in E. Carroll Joyner Park, 701 Harris Road. The work includes the removal of several trees just north of the current visitor parking lot.

Park visitors are advised that walking trails in the vicinity of the construction site have been closed out of concern for public safety.

No trespassing signage is posted prominently throughout the work zone. Officials are strongly urging area residents to obey the posted signage and avoid the construction area.

### Northern Wake Senior Center

Focus Design Builders has started work on the expansion of the Northern Wake Senior Center. The project includes the addition of exercise and multi-purpose rooms and the replacement of the roof.

### PUBLIC WORKS

## Take a stand against littering

The Town of Wake Forest is urging residents to help eliminate unsightly littering and illegal dumping along our streets by reporting such incidents and utilizing proper methods of waste disposal.

**Swat-a-Litterbug.** Residents who see a person littering should report the license plate number of the offending vehicle to the NCDOT's Office of Beautification Programs at 1-877- DOT-4YOU (1-877-368-4968). The NCDOT will then notify the vehicle owner of the littering offense; inform the vehicle owner of the penalties for littering; and urge the litterbug to stop littering. For information about the program visit [ncdot.gov](http://ncdot.gov) and search for "swat a litterbug."

**Illegal dumping.** The disposal of large waste on property without the consent of the owner should be reported to the Wake Forest Police Department, 919-554-6150.

### PUBLIC WORKS

## Stay informed about waste collection with the "Waste Wizard"

An interactive tool on the Town of Wake Forest website and app makes it easy for residents to stay informed about garbage, recycling and yard waste collection programs.

Available on the Town's website at [wakeforestnc.gov](http://wakeforestnc.gov), the "Waste Wizard" allows users to sign up for waste collection reminders and download collection schedules.

The Waste Wizard also allows users to type in key words related to disposable household materials and receive valuable disposal tips. From aluminum cans and phone books to popcorn bags and plastic beverage bottles, the search tool helps residents determine which items can be recycled and which ones should be thrown away.

As an added bonus, the Waste Wizard is provided as a function on the Town of Wake Forest app.

📱 [wakeforestnc.gov](http://wakeforestnc.gov), search "waste wizard" or "app"

### HUMAN RELATIONS COUNCIL

## HRC seeks nominations for Good Neighbor of the Year Award

The Wake Forest Human Relations Council (HRC) is soliciting youth and adult nominations for the 9th Annual Good Neighbor of the Year Award. The award recognizes Wake Forest residents who work to improve the quality of life in their neighborhoods without seeking recognition for their efforts.

Nominees are sought in two divisions: adult and youth between the ages of 13 and 18. In order to qualify a nominee must be a Wake Forest resident who has made a significant contribution to the community between Sept. 1, 2017, and Aug. 31, 2018. Employees of the Town of Wake Forest are not eligible.

The online nomination form is available on the Town's website. Completed forms must be submitted by 5 p.m. Friday, Aug. 31.

Mayor Vivian Jones will present a commemorative plaque to one youth and one adult winner during this year's Good Neighbor Day on Saturday, Sept. 15. The event will take place from 1-4 p.m. at E. Carroll Joyner Park, 701 Harris Road.

📱 [wakeforestnc.gov](http://wakeforestnc.gov), search "good neighbor day", Human Resources Director Virginia Jones, 📞 919-435-9491, ✉ [vjones@wakeforestnc.gov](mailto:vjones@wakeforestnc.gov)

## ADMINISTRATION

# View progress updates on major Town projects

Updates on major projects and initiatives are now posted regularly on the Town of Wake Forest's website. Updates are posted for a variety of categories including greenways, transportation, pedestrian access, public facilities, and much more. To view the latest activity on projects, visit the "Projects & Initiatives" web page by going to [wakeforestnc.gov](http://wakeforestnc.gov) and typing "projects and initiatives" in the search box.

## POLICE

# Wake Forest PD explains advantages of SUVs over traditional police cars

Ever wonder why you're seeing more Wake Forest Police officers driving Sport Utility Vehicles (SUVs) as opposed to more traditional police cars? The fact is Wake Forest Police and law enforcement agencies across Wake County (Raleigh, Apex, Morrisville, Holly Springs) and beyond are now choosing to purchase and utilize SUVs. Although there are many reasons to explain this growing trend, here are the top three:

■ **Resale Value.** Through the Governor's Highway Safety Program (GHSP), the Police Department can purchase a Chevrolet Tahoe for just over \$37,000 — approximately \$10,500 more than a Dodge Charger. But whereas the Dodge Charger retains approximately \$7,000 in resale value after 70,000 miles, the Chevrolet Tahoe gets approximately twice as much. Considering the depreciation of the Chargers and the solid resale value of the Tahoe, the initial cost difference is now almost completely offset upon resale. Note: the Chevrolet Tahoe is acceptable for GHSP funding because it is "made in America." The Dodge Charger is not.

■ **Space.** Due to a lack of trunk and compartment space, officers have a tough time fitting all of their equipment in the Dodge Charger. The Charger is also cramped on the inside and doesn't hold "larger" officers comfortably. Furthermore, a typical outfitting of the Charger means there is less than 200 lbs. available before the vehicle exceeds prescribed pursuit specifications. As a result, the vehicle can't be operated in a pursuit when carrying two officers.

On the other hand, the Chevrolet Tahoe can carry all of the officer's equipment while remaining well within the prescribed pursuit specifications. The Tahoe fits every officer and provides complete adjustability of the driver's seat, thereby allowing every officer both large and small to see and operate the vehicle comfortably. Not only are the Tahoe's roomier but visibility outside the vehicles is expanded significantly. Officers can see out of the vehicles much more effectively in a 360 degree area from a higher vantage point and more open windows.

■ **Off-Road Performance & Inclement Weather.** Both the Dodge Charger and the Chevrolet Tahoe are All-Wheel Drive (AWD) vehicles. However, the Tahoe truck chassis has a significant advantage boasting a higher weight ratio and greater ground clearance. During inclement weather, the Charger's wheel wells often become packed with ice and snow making it incapable of clearing small obstacles and rendering it largely ineffective in most winter driving conditions.

## Making Your Steps Count

It takes about 6,250 steps to walk or run a 5K race. For many, these steps count toward a daily goal of 10,000 steps. The annual Faster Than a Pastor 5K event, hosted by Woodland Baptist Church, has a goal to make your steps count for even more. All proceeds from this 5K go to support two organizations, Tri-Area Ministry Food Pantry and ChurchNet Foundation, who reach out to offer a helping hand to those in our community. Tri-Area Ministry serves 750 families per month and helps provide food for 34,000 people each year.

ChurchNet Foundation provides financial assistance related to utility costs and prescription needs for over 300 people in the community each year.

By participating in the 4th annual Faster Than a Pastor 5K on Saturday, September 8, your steps will help these organizations help others all throughout the year. More than \$15,000 has been raised over the past three years.

This 5K event is for recreational runners/walkers as well as for competitive participants (timing chips are available) and will take place at Joyner Park in Wake Forest. A 1-mile "Fun Run" will also be available for children or adults who want to participate. The entry fee, which includes a t-shirt, is \$25 before August 9 and \$30 after this date. To register or for more information, visit [www.fasterthanapastor.com](http://www.fasterthanapastor.com).

### Volunteers needed for The Wall That Heals

The Wall That Heals, a replica of the Vietnam Veterans Memorial, is coming to E. Carroll Joyner Park, 701 Harris Road, Thursday-Sunday, **Oct. 18-21**. Free and open to the public, the exhibit will be available 24-hours-a-day beginning 8 a.m. Thursday, Oct. 18, through 2 p.m. Sunday, Oct. 21.

Volunteers are critical to the success of the event and needed at a variety of times.

Anyone interested in volunteering may sign up online at [wakeforestnc.gov](http://wakeforestnc.gov) (search "the wall that heals"). A volunteer training session will be offered at Joyner Park on Wednesday, Oct. 17, at 6 p.m. All volunteers are urged to attend.

📧 [wakeforestnc.gov](http://wakeforestnc.gov), search "the wall that heals", Downtown Development Director Lisa Hayes, ☎ 919-435-9415, ✉ [lhayes@wakeforestnc.gov](mailto:lhayes@wakeforestnc.gov)

## BIKE-SHARE

### Announcing a new way to get around town

In June, the Town of Wake Forest launched the LimeBike program to offer bicycles for a fee anywhere in the town limits. Approximately 200 bright green-colored bicycles are now available in high traffic areas around town, including downtown and in parks and greenways.

#### Getting Started

Each bike comes enabled with GPS and 3G technology. Simply download the free LimeBike app onto your smartphone to access available LimeBikes. Then, using a QR code on your smartphone,

scan the license plate on the bicycle, which unlocks the bicycle for usage.

Once you reach your destination, rescan the license plate to lock the bicycle in place, which also turns off the charging timer.

The cost to rent a LimeBike is minimal. A 30-minute LimeBike ride costs \$1, but college students can access a LimeBike at

discounted rates—50 cents per half-hour.

📧 [wakeforestnc.gov](http://wakeforestnc.gov), search "bike share", Transportation Planning Manager Suzette Morales, ☎ 919-435-9512, ✉ [smorales@wakeforestnc.gov](mailto:smorales@wakeforestnc.gov)

*"We see the growing ways that American communities are supporting and promoting bicycling as a health, economic, environmental and equity solution for their residents and visitors."*

— Amelia Neptune, Director of the Bicycle Friendly America (BFA) program

The Town of Wake Forest was recently named a "Bronze-level" Bicycle Friendly Community
